Reef Matte

HANDLELESS PAINTED

Designer Touches
Quadrant feature mouldings and end panel create a streamlined island unit.

Reef Matte is the seductively smooth handleless kitchen style with the soft painted finish. There is a reassuringly solid feeling that comes from the 22mm thick panels, which can also accommodate vertical hand pulls for full height, one piece doors on tall larder or integrated refrigeration units. They are available in four subtle tones that create a calming minimalist haven at the heart of your home.
